The Existing Top Opening Kitchen Window to be removed and replaced with a sliding sash window to match the existing Building
A 150mm Deep stone sill will be used to match the existing building stone work, as the existing one is damaged.

The new Sash Window will be painted white to match the existing building.

Scale 1:25

Existing Elevation

Black Line Represents Original
Window Opening Footprint (SEE PHOTO'S).

Proposed Elevation

New Window to match
Rest of Building
25mm Glasing Bar

Natural Stone Sill

10/12/10
