TO THE

HIGH PEAK BOROUGH
COUNCIL

Dear Sir / Madam

I have lived at the above address for the past 20 years. During that time I have walked my dogs down Brookbottom Rd, New Mills almost every day.

I have noticed the land & garage at NOON SUN FARM being used for domestic car parking both by Phill Brennan & the previous occupants of the land the Woods family.

I Ian Fletcher,

Have been asked by
Philip Brennan to describe the
historic use of the land with the
Garage on it above Woon Sen Farm.
I can confirm it has in the last
35 years maybe longer been used
for domestic parking & garden.
By Mr Brennan & prior to him the
Wood family
