Soapstone Way
Irlam
M44 6RA

Application no. HPK/2011/0555

Registered on 07/10/2011

Determined on 29/11/2011

Agent

High Peak Borough Council hereby **PERMIT** this application for **FULL PLANNING PERMISSION** for

Installation of 48kWp Photovoltaic System fitted to existing roof using stainless steel fixings. 340m2 area coverage, mounted parallel to existing roof plane protruding 50mm from roof surface. at Former Selden Research Ltd Staden Lane Buxton

in accordance with the submitted application, details and accompanying plans listed below subject to the following conditions and reasons:-

Conditions

1. The development to which this permission relates must be begun not later than the expiration of three years from the date of this permission unless some other specific period has been indicated in other conditions given.

2. The development hereby permitted shall be carried out in complete accordance with the plans and specifications.

Reasons

…….
Michael Green
Planning Applications Manager

1. The time limit condition is imposed in order to comply with the requirements of sections 91, 92, 93 and 56 of the Town and Country Planning Act 1990 and section 51 of the Planning and Compulsory Purchase Act 2004.

2. In the interests of visual amenity and in accordance with Policy CF7 of the High Peak Saved Local Plan Policies 2008.

Summary of reasons for granting permission

The decision to grant planning permission has been taken because the Council considers that the application has put forward a proposal a renewable energy proposal which would not harm the visual amenities of the immediately locality or the wider landscape.

The decision to grant planning permission has also been taken having regard to all other relevant material planning considerations and to the following relevant policies and proposals in the Development Plan.

POLICIES RELEVANT TO THIS DECISION

High Peak Local Plan Saved Policies

BC1 - External Materials
CF10 - Renewable Energy
EMP3 - Industry and business in the Buxton area
EMP 4 - Primary Employment Zones
GD2 - Built up area boundaries

Any other statutory consent necessary must be obtained from the appropriate authority.

Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority, Derbyshire, County Council at County Hall, Matlock, Derbyshire, tel. 01629 580000.

This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. **A fee is payable to us for the discharge of condition. Please refer to our web site : www.highpeak.gov.uk for details.** If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
(a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
(b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

The permission is granted in strict accordance with the approved plans. It should be noted however that:
(a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
(b) Variation to the approved plans will require the submission of a new planning application.
