

The following information needs to be included in your email(s) to the Environment Agency
Our Consent Reference, Site name & NGR, Works Commencement Date, Proposed Completion Date; Name/Company, Address; On Site Contact name, landline and mobile phone numbers; Office Contact name, landline, mobile phone/fax numbers.

This information assists both the Development & Flood Risk team and our Flood Incident Management (Flood Warning) Team. Therefore, please ensure that you also inform us of completion of works to avoid being contacted after the works are completed. Please be aware of the current flooding situation whilst undertaking the work, including visiting www.environment-agency.gov.uk/subjects/flood or calling the Floodline on 08459881188.

Finally, please note that this consent does not absolve you from the need to obtain any other consents, licences or permissions which may be required in law prior to your commencing the work.

Yours sincerely

Andrew Disney
Area Development And Flood Risk Team Leader
