Your Ref: MF/HPK/2011/0061

FAO Simon Brough

Many thanks for the help on the phone, I hope to have enclosed all the details you should require – if not then please contact me ASAP as I need the get this application validated and in process.

Enclosed is a copy of the letter from Martin Flanagan, and below are my responses to this:

1) New lighting will not be added, existing lighting has been deemed sufficient.
2) Proposed building:

2 of the following, as situated on the site plan:

20' × 8' × 9'6" Office Portakabin
- External length 20'/(inner length) 20': 6.055m/(5.851m)
- External width/(inner width): 2.435m/(2.231m)
- External height/inner height: 2.790m/(2.510m)
- Tare: 1950 Kg

3) Hours of opening:

Monday to Friday: 0700 – 1900
Saturdays: 0700 – 1300
Sundays and Bank Holidays: 0700 – 1300

4) Gate will be from road leading to the scrap yard, NOT from through the former bakery. This is outlined on the new site plan which is submitted.
5) I assume description can be kept as Storage & packing of aggregates and landscaping products
6) New site plan of 1:200 is enclosed with proposed entrance and location of new Portakabins.
7) A cheque for the fee of £335.00 is enclosed.
