DESIGN & ACCESS STATEMENT.

Replacement Windows.

10 Henry Street. Glossop. SK13 8BW

No 10 Henry Street is a hairdressing Salon named C'est La Vie a two storey terraced stone built property listed as Grade II.

The proposal entails replacement of two existing upper storey windows to the front elevation and a single upper storey window to the rear. The existing windows are timber single glazed, painted white with top hung opening lights. The new windows will be timber with traditional sash pattern with top hung opening light to form more of a match to adjacent existing upper floor windows in Henry St. The new windows will be painted in white gloss.

The new windows will be purpose made double glazed from 90x63 timber section in general with vertical central bar.

Heritage Statement

From the above statement the proposed change of the existing windows as described are considered more of a match to previous and adjacent properties on Henry Street which is mainly commercial properties two storey with living accommodation above. The current windows to be replaced are in poor condition single glazed and causing problems to the occupants. We consider the proposal to be of benefit to the visual impact of the property and to the heritage of Henry Street,
