works, soil moving, temporary access construction and / or widening, or any operations involving the use of motorised vehicles or construction machinery) until a detailed Arboricultural Method Statement including details of how the development will be carried out to minimise any impact to neighbouring trees is submitted and approved in writing by the Local Planning Authority. No development or other operations shall take place except in complete accordance with the approved Method Statement. Such Method Statement shall include full details of the following:

a) Implementation, supervision and monitoring of the approved Tree Protection Scheme.

b) Implementation, supervision and monitoring of the approved Tree Work Specification.

c) Implementation, supervision and monitoring of all approved construction works within any area designated as being fenced off or otherwise protected in the approved Tree Protection Scheme

d) Timing and phasing of Arboricultural works in relation to the approved development.

Reasons

1. The time limit condition is imposed in order to comply with the requirements of sections 91, 92, 93 and 56 of the Town and Country Planning Act 1990 and section 51 of the Planning and Compulsory Purchase Act 2004.
2. In the interests of visual amenity, in accordance with Policy GD4 (and Policies BC5 and BC8 in respect of developments in conservation areas/listed buildings) of the High Peak Saved Local Plan Policies 2008.
3. To ensure the continued well-being of the trees in the interests of the amenity and environmental quality of the locality, in accordance with Policy GD5 and OC10 of the High Peak Saved Local Plan Policies 2008.

Summary of reasons for granting permission

The decision to grant planning permission has been taken because the Council considers that the application has put forward a proposal that does not harm the character or appearance of the existing dwelling or impact on the residential amenity of adjacent occupiers.

The decision to grant planning permission has also been taken having regard to all other relevant material planning considerations and to the following relevant policies and proposals in the Development Plan.

Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority, Derbyshire, County Council at County Hall, Matlock, Derbyshire, tel. 01629 580000.

This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. **A fee is payable to us for the discharge of condition. Please refer to our web site : www.highpeak.gov.uk for details.** If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
(a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
(b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

The permission is granted in strict accordance with the approved plans. It should be noted however that:
(a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
(b) Variation to the approved plans will require the submission of a new planning application.
