4. No trees, shrubs or hedges within the site which are shown as being retained on the approved plans shall be felled, uprooted, wilfully damaged or destroyed, cut back in any way or removed without the prior written consent of the Local Planning Authority. Any trees, shrubs or hedges removed without such consent, or which die or become severely damaged or seriously diseased with five years from the completion of the development hereby permitted shall be replaced with trees, shrubs or hedge plants of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reasons

1. The time limit condition is imposed in order to comply with the requirements of sections 91, 92, 93 and 56 of the Town and Country Planning Act 1990 and section 51 of the Planning and Compulsory Purchase Act 2004.
2. To ensure that the external appearance of the building / structure is acceptableand in the interests of visual amenity, in accordance with Policy GD4 (and Policies BC5 and BC8 in respect of developments in conservation areas/listed buildings) of the High Peak Saved Local Plan Policies 2008.
3. To safeguard wildlife in the interests of nature conservation in accordance with policy OC8 of the High Peak Local Plan and National Planning Policy PPS9, Biodiversity and Geological Conservation.
4. To ensure the continued well-being of the trees in the interests of the amenity and environmental quality of the locality, in accordance with Policy GD5 and OC10 of the High Peak Saved Local Plan Policies 2008.

Summary of reasons for granting permission

The decision to grant planning permission has been taken because the Council considers that the application has put forward a proposal that is confined to within existing residential curtilage where the replacement structure is considered acceptable in terms of design, scale and materials. The proposal will not impact on the character and distinctiveness of the countryside or residential amenity of adjoining occupiers.

The decision to grant planning permission has also been taken having regard to all other relevant material planning considerations and to the following relevant policies and proposals in the Development Plan.

POLICIES RELEVANT TO THIS DECISION

High Peak Local Plan Saved Policies

- BC1 - External Materials
GD4 - Character Form and Design
GD5 - Amenity

requires work to be carried out or details to be approved prior to the commencement of the development this is called a “condition precedent”. The following should be noted with regards to conditions precedent:
(a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
(b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

The permission is granted in strict accordance with the approved plans. It should be noted however that:
(a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
(b) Variation to the approved plans will require the submission of a new planning application.
