Dear Mr Graham Dukes

NMA/2012/0023 - Non Material Amendment - HPK/2008/0391 - Revised site plan showing as built position of garage in relation to boundary. Small Window in gable on west elevation of garage roof space. at 15 Elnor Avenue, Whaley Bridge.

I refer to your recent application for the above development. I can confirm that I have no objections to the alterations to the fenestration in the building nor to the slight repositioning of the garage on the site. The revised details shown on Drawing No. 1 – Revised Plans and the Revised Site Plan (May 2012) are acceptable and can be considered as a non material amendment to the original approval.

I trust the above information is satisfactory and would remind you that the conditions attached to the original approval still apply.

Yours faithfully
