One St James Square
Manchester
M2 6DN

Dear Brian

NMA/2012/0039 - Non material amendment to HPK/2011/0103 to amend the approved western elevation to include a boiler flue, louvres & external lighting & for the installation of lighting internally at Howard Town Mill Mill Street, Glossop.

I refer to the above application for a non material amendment to the approved retail store for M & S at Howard Town Mill.

Consent is sought to amend the approved western elevation to allow for a new boiler flue, relocation of louvres and installation of lighting on this elevation to service the delivery yard.

I can confirm that provided the works are carried out in accordance with Drawing Nos: E5584 10 and ECO-1-02 Rev D and accords with the lighting specification submitted then these developments can be approved as non material amendments to the original approval.

I would remind you that conditions attached the the original grant of planning permission still apply.

Yours faithfully

Elizabeth Pleasant
Principal Planning Officer
