School Buildings
(Formerly Listed as:
HAGUE STREET, Whitfield
(West side)
Joseph Hague School)

GV II

School and schoolmaster's house now 3 dwellings. 1779, refenestrated mid C19, converted late C20. Narrow coursed millstone grit with ashlar dressings, stone slate roof, stone stacks and gabled bellcote to left gable with pilasters and ball finial.
EXTERIOR: school originally one storey, now 2 storey, master's house 3 storey. Street front has irregular 4 window facade, arranged 3:1. Former school to left has single pointed arched

doorway to left with small painted ornamental plaque above with beehive and floriated bearers, to right 3 pointed arched windows, the centre one now blocked. Above 3 pointed arched openings, the outer ones with windows and the centre one with inscribed plaque which reads:-
"This school was erected and endowed by JOSEPH HAGUE Esquire, of Park Hall in this Parish as a testimony of Gratitude to ALMIGHTY GOD for his favour and Blessings through a life of years whereby he was enabled to accumulate an ample fortune and make a plentiful Provision for his numerous Relations and Dependents. Anno Domini 1779."
All windows have C20 uPVC casements. Pointed arched doorway to left, with small painted ornamental plaque above with beehive and floriated bearers. Former master's house to right, single window, 3 storey. Single doorway with heavy lintel and rusticated surround, and above single 16-pane casement window in painted surround and above again single 12-pane casement in similar surround.
Rear elevation has 2 pointed arched windows to each floor of former school with inserted C20 uPVC casements. Attached 2 unit, 3 storey master's house, at lower level, has rear front with garage door to right and above single 2-light and single 3-light mullioned windows to each of the upper floors.
INTERIOR: not inspected.
This school was originally endowed in 1779 by Joseph Hague, a local cotton manufacturer.
(The Buildings of England: Pevsner N: Derbyshire: Harmondsworth: 1953-1986: 219).
