Drivesett® Tegula® Jumper Block

NEW

Drivesett Tegula Jumper Block

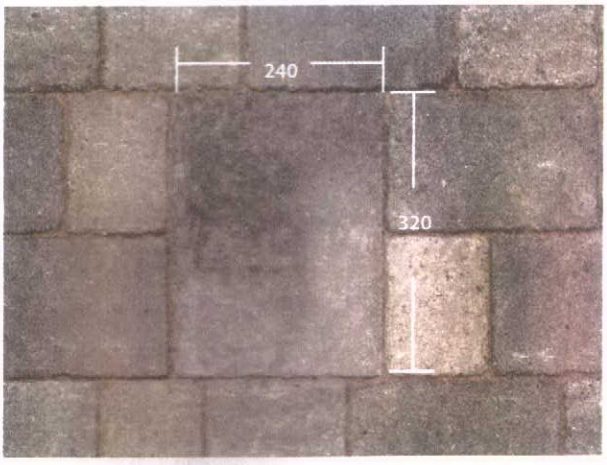

- New block size available in the popular Drivesett Tegula specially aged finish and colours
- The jumper block brings an exciting new choice of designs to the Drivesett Tegula range
- Can be used with all existing Drivesett Tegula sizes
- Take blocks from a number of packs to ensure a variegated, multi-shade effect
- Blocks are supplied shrink-wrapped. Each pack contains blocks of 1 size only
- Joint filling sand and Keybond are recommended (see p.159)
- For co-ordinating channels, kerbs and edgings (see p.154-159)

Tegula is a trademark of SF Corporation

Please note pack sizes have changed, check with your local service centre for details
