Signage Front Elevations drawing | John Baker | Buxton

HIGH PEAK
28 JUN 2013
ABOVE ENTRANCE DOOR

Signage is same size as current, but the material and lettering is different, also the red colour on here is not the burgandy toned down version that will be going on the store.

MIDDLE WINDOW

Half height window graphic 600mm high running across the bottom of the window, some images and Cider, Ales and Spirits lettering

Graphic covering the whole window with some images with chilled wines, red wines and chilled beers lettering

Half height window graphic 600mm high running across the bottom of the window, with some images and refresh and revive lettering

Side elevations drawing showing where the light sits on the overhanging roof
