REF: PD/2013/0056

To whom it may concern,

We are planning to add an Edwardian single storey conservatory to the rear of our property, the length of the conservatory will be 4.5m by 3.5m wide with a fully glazed roof. The side of the conservatory directly next to 10 West drive, will be a full height brick wall with the remainder being a dwarf wall.

The eaves height will be 2.1m in height with a ridge height of 3.4m.

The properties adjoining our boundaries are as follows
(Adjacent) 10 West Drive, Tintwistle.
(Adjacent) 14 West Drive, Tintwistle.
(Rear) 5 Speedwell Close, Tintwistle.
