HPK/2013/0544

Design and Access Statement

Proposal to create one single off road car standing space at 4 Ferndale Road.

Plans attached show current and proposed work to achieve this, which is in keeping with adjacent property.

Work involved is to install a further three dropped kerbs in addition to the one existing.
Existing grass area to be replaced with Tarmac to Derbyshire County Council (DCC) Specification.
Section of boundary wall and gate removed.
Hard standing area to be finished in Permeable Surface (i.e. Block Pavers).
