Application HPK/2011/0079 at The Gate House Victoria Street, Glossop.**

I refer to your recent application for a non material amendment to carryout some minor alterations to the rear elevation of this building in enable the business to comply with the extract/ventillation requirements of the original planning permission.

I can confirm that provided that works are carried out in complete accordance with the details shown on Approved Drawing No: 2952 2310 Rev F then these details can be approved as a non material amendment to the original approval. I would however remind you that the conditions attached to the original approval, HPK/2008/0079 still apply.

I trust this information is of assistance to you.

Yours faithfully
