Comments: I keep my horse in the local Mellor Area (Bogguard Road). I support the extension of an already existing arena, and wish I had the luxury of an arena to use myself. The roads and bridleways are becoming increasingly unsafe, particularly in lockdown.

1) Advice during some lockdowns has been to exercise horses on your own property and avoid public areas

2) Increased traffic from out-of-area visitors, causing unsafe parking, restricted vision at junctions and more people with dogs/bikes to contend with when trying to ride on roads to access bridleways, and then on the bridleways themselves

3) Increased presence of motorised vehicles on restricted byways and bridleways - quadbikes and motorbikes in particular - ruining surfaces intended for walking and riding only, and also causing incidences with spooking horses by passing inconsiderately / dangerously / deliberately aggressively, despite having no right of access to begin with.
