spaces to the site has been submitted to and approved in writing by the local planning authority. The car parking spaces shall include a minimum of 3 spaces each measuring 2.4m x 4.8m and shall be implemented for use, free from any obstruction prior to the occupation of the extra living space hereby approved and retained for the life of the development.

4. No construction/demolition work at the site shall take place outside the following hours:-

(i) 07:00 hours to 19:00 hours Mondays to Fridays
(ii) 08:00 hours to 16:00 hours on Saturdays
(iii) At any time on Sundays or Public Holidays except by agreement with the Local Planning Authority.
(iv) All deliveries to the site shall be limited to within the above hours.

Any equipment which needs to be operated outside the hours specificed above shall be accoustically screened in accordance with a scheme to be agreed with the Local Planning Authority.

Reasons

1. The time limit condition is imposed in order to comply with the requirements of sections 91, 92, 93 and 56 of the Town and Country Planning Act 1990 and section 51 of the Planning and Compulsory Purchase Act 2004.

2. In the interests of visual amenity, in accordance with Policy GD4 (and Policies BC5 and BC8 in respect of developments in conservation areas/listed buildings) of the High Peak Saved Local Plan Policies 2008.

3. For the avoidance of doubt and in the intrests of highway safety.

4. In order that the amenities enjoyed by the occupants of the adjacent dwellings shall not be injured, in accordance with Policy GD5 of the High Peak Saved Local Plan Policies 2008.

Summary of reasons for granting permission

The decision to grant planning permission has been taken because the Council considers that the application has put forward a proposal that is not detrimental to the character and appearance of the existing dwelling or wider street scene, whilst not raising any adverse neighbouring amenity issues or highway safety concerns.

The decision to grant planning permission has also been taken having regard to all other relevant material planning considerations and to the following relevant policies and proposals in the Development Plan.

throughout the development and beyond. **A fee is payable to us for the discharge of condition. Please refer to our web site : www.highpeak.gov.uk for details.** If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
(a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
(b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

The permission is granted in strict accordance with the approved plans. It should be noted however that:
(a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
(b) Variation to the approved plans will require the submission of a new planning application.
