Hello Stuart,

Thank you for referring this application for our attention.

There are no objections to the removal or variation of condition 4 from application HPK/2019/0200, and the replacement of site plan
revision C with revision H, to bring detail into line with those of application HPK/2025/0287, without prejudice to the comments we provided
on the 13th of August 2025 concerning the detail of site plan revision H.

Regards
