In response to your letter on the 15th December 2011 addressed to my landlord (Mrs Mckay), I submit the following information.

Sketch No DR2 submitted with the above application has been amended to show the location and specification of the equipment referred to in condition numbers 4 & 5. The Kitchen extraction is in use as follows: Monday-Friday 12-3pm, Saturday and Sunday 12-6pm. Four copies of the amended sketch are enclosed in addition a photograph.

2. HPK/2011/0065

With regard to condition no:1, I can confirm that the sound insulation has been installed in accordance with the details submitted on sketch A and received by the local planning authority on 28th March 2011. A copy of the photographic record of this installation (with which you are familiar) could be made available to you if required. A repeat sound test is being arranged to check the effectiveness of the insulation and I will let you have a copy of the report when available.
