High Peak Borough Council hereby **PERMIT** this application for **FULL PLANNING PERMISSION** for

Proposed single storey kitchen extension to a semi detached property stretching between the current side entrance and existing garage. at 2 Reservoir Road Whaley Bridge

in accordance with the submitted application, details and accompanying plans listed below subject to the following conditions and reasons:-

Conditions

1. The development to which this permission relates must be begun not later than the expiration of three years from the date of this permission unless some other specific period has been indicated in other conditions given.

2. No development shall commence until samples of the materials to be used in the construction of the external surfaces of the approved development hereby permitted have been submitted to and approved in writing by the local planning authority. The development shall be carried out in accordance with the approved details.

3. (a) No development or other operations shall commence on site until a scheme (herein after called the approved protection scheme) which provides for the retention and protection of trees, shrubs and hedges growing on or adjacent to the site, including trees which are the subject of any Tree Preservation Order currently in force, has been submitted to and approved in writing by the Local Planning Authority. No development or other operations shall take place except in complete accordance with the approved protection scheme.

(b) No operations shall commence on site in connection with the development hereby approved (including demolition works, soil moving, temporary access construction and / or widening or any operations involving the use of motorised vehicles or construction machinery) until the protection works required by the approved protection scheme are in place.

(c) No excavations for services, storage of materials or machinery, parking of vehicles, deposit or excavation of soil or rubble, lighting of fires or disposal of liquids shall take place within any area designated as being fenced off or otherwise protected in the approved protection scheme.

(d) Protective fencing shall be retained intact for the full duration of the development hereby approved and shall not be removed or repositioned without the prior written approval of the Local Planning Authority.

4. No development shall take place on site until details of size, type and location of the replacement tree(s) has been submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be planted within six months from the date the tree the subject of this consent was felled or, if this period does not fall within a planting season, by 31st December following.

Reasons

1. The time limit condition is imposed in order to comply with the requirements of sections 91, 92, 93 and 56 of the Town and Country Planning Act 1990 and section 51 of the Planning and Compulsory Purchase Act 2004.

2. In the interests of visual amenity, in accordance with Policy GD4 (and Policies BC5 and BC8 in respect of developments in conservation areas/listed buildings) of the High Peak Saved Local Plan Policies 2008.

3. To ensure the continued well-being of the trees in the interests of the amenity and environmental quality of the locality, in accordance with Policy GD5 and OC10 of the High Peak Saved Local Plan Policies 2008.

4. In the interests of visual amenity, in accordance with Policy GD5 of the High Peak Saved Local Plan Policies 2008.

Summary of reasons for granting permission

The decision to grant planning permission has been taken because the Council considers that the application has put forward a proposal that is considered acceptable in regards to design and visual amenity and that there is no detrimental impact to the amenity of adjoining neighbours. In regards to trees within the vicinity of the site and their loss there is no impact to the amenity of the area subject to suitable replacement planting.

The decision to grant planning permission has also been taken having regard to all other relevant material planning considerations and to the following relevant policies and proposals in the Development Plan.

POLICIES RELEVANT TO THIS DECISION

High Peak Local Plan Saved Policies

BC1 - External Materials
GD4 - Character Form and Design
GD5 - Amenity
H14 - Domestic Extensions and ancillary buildings
OC10 - Trees and Woodlands
TR5 - Access, parking and design

Notes to Applicant

Informative Note for Applicants/Agents for Developments within Coalfield Standing Advice Areas.

The proposed development lies within a coal mining area which may contain unrecorded mining related hazards. If any coal mining feature is encountered during development, this should be reported to The Coal Authority.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com

The applicant should contact Derbyshire County Council on tel. 01629 580000 and ask for the District Manager and Mr D Nicholson prior to carr5ying out any works at the existing access point to discuss construction, drainage and traffic management during the works to ensure the safety of highway users.

Please Note: This decision notice does not convey any approval or consent which may be required under any enactment, bye-law, order or regulation other than Section 57 of the Town and Country Planning Act 1990.

Approval under the Building Regulations may also be required. Advice in this respect can be obtained by contacting the Councils Building Control Section on 0845 129 7777.

Any other statutory consent necessary must be obtained from the appropriate authority.

Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority, Derbyshire, County Council at County Hall, Matlock, Derbyshire, tel. 01629 580000.

This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. **A fee is payable to us for the discharge of condition. Please refer to our web site : www.highpeak.gov.uk for details.** If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
(a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
(b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

The permission is granted in strict accordance with the approved plans. It should be noted however that:
(a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
(b) Variation to the approved plans will require the submission of a new planning application.
