Dear Mr Hambleton

NMA/2012/0012 - Non Material Amendment HPK/2009/0588 Resiting of Car Park Entrance. at Charlesworth Congregational Church Car Park Chapel Brow, Charlesworth Glossop

I refer to your recent application for a non material amendment to the above approved development. I have now had a chance to inspect the plans and unfortunately the works shown are not considered to be non material. The relocation of the access is a fundamental alteration to the approved scheme. The creation of a new access onto a classified road is development in itself.

The application has therefore been refused. Should you wish to proceed with these new proposals you would need to submit a new full planning application for the development.

I trust this information clarifies the position. Should you have any queries please do not hesitate to give me a call.

Yours faithfully

Elizabeth Pleasant
Principal Planning Officer
