species of the proposed planting; the proposed finished levels or contours; means of enclosure; car parking layouts; other vehicle and pedestrian access and circulation areas; hard surfacing materials; minor artefacts and structures (eg furniture, play equipment, refuse or other storage units, signs, lighting etc.); proposed and existing functional services above and below ground (eg drainage power, communications, cables, pipelines etc. indicating lines, manholes, supports etc.); retained historic landscape features and proposals for restoration, where relevant.

3. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding season following the first occupation of the buildings and no later than 12 months of that occupation or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the approved scheme die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of a similar size and species, unless the local planning authority gives written consent to any variation.

4. Any accumulation of manure shall be removed from the site not less frequently than once per month.

5. Drainage to the livestock buildings shall be constructed to prevent pollution of watercourses. All effluent shall pass through a straining basket prior to discharge.

6. The proposed stables and hay store shall be used for private/domestic purposes only and for no business or commercial activity whatsoever.

7. Notwithstanding the details on the approved plans, prior to the commencement of development details of the materials of construction shall be submitted in writing for approval by the Local Planning Authority. The development shall thereafter be completed in accordance with the agreed details.

Reasons

1. The time limit condition is imposed in order to comply with the requirements of sections 91, 92, 93 and 56 of the Town and Country Planning Act 1990 and section 51 of the Planning and Compulsory Purchase Act 2004.

2. In the interests of visual amenity, in accordance with Policy GD6 of the High Peak Saved Local Plan Policies 2008.

3. In the interests of visual amenity, in accordance with Policy GD6 of the High Peak Saved Local Plan Policies 2008.

4. In order that the amenities enjoyed by the occupants of the adjacent dwellings shall not be injured, in accordance with Policy GD5 of the High Peak Saved Local Plan Policies 2008.

5. In the interests of visual amenity, in accordance with Policy GD5 of the High Peak Saved Local Plan Policies 2008.

6. In order that the amenities enjoyed by the occupants of the adjacent dwellings shall not be injured, in accordance with Policy GD5 of the High Peak Saved Local Plan Policies 2008.

Summary of reasons for granting permission

The decision to grant planning permission has been taken because the Council considers that the application has put forward a proposal which would have no material impact on residential amenity, is appropriate development within green belt and has no wider impact on openness in green belt.

The decision to grant planning permission has also been taken having regard to all other relevant material planning considerations and to the following relevant policies and proposals in the Development Plan.

Any other statutory consent necessary must be obtained from the appropriate authority.

Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority, Derbyshire, County Council at County Hall, Matlock, Derbyshire, tel. 01629 580000.

This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. **A fee is payable to us for the discharge of condition. Please refer to our web site : www.highpeak.gov.uk for details.** If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
(a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
(b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

The permission is granted in strict accordance with the approved plans. It should be noted however that:
(a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
(b) Variation to the approved plans will require the submission of a new planning application.
