3. Before any other operations are commenced, space shall be provided within the site curtilage for storage of plant and materials/ site accommodation/ loading and unloading of goods vehicles/ parking and manoeuvring of site operatives, laid out and constructed in accordance with detailed designs to be submitted in advance to the Local Planning Authority for written approval and maintained throughout the contract period in accordance with the approved designs free from any impediment to its designated use.

4. Before any other operations are commenced a new access shall be created in accordance with the application drawings, laid out, constructed and provided with visibility sightlines of 2.4m x maximum achievable across the entire site frontage, the area in advance of the sightlines being maintained throughout the life of the development clear of any object greater than 1m in height (0.6m in the case of vegetation) relative to adjoining nearside carriageway channel level.

5. There shall be no gates of other barriers within 7m of the nearside highway boundary and any gates shall open inwards only.

Reasons

1. The time limit condition is imposed in order to comply with the requirements of sections 91, 92, 93 and 56 of the Town and Country Planning Act 1990 and section 51 of the Planning and Compulsory Purchase Act 2004.

2. In the interests of visual amenity, in accordance with Policy GD4 (and Policies BC5 and BC8 in respect of developments in conservation areas/listed buildings) of the High Peak Saved Local Plan Policies 2008.

3. To ensure satisfactory service provision in the interests of highway safety, in accordance with Policy TR5 of the High Peak Saved Local Plan Policies 2008.

4. In order to provide adequate visibility from the site in the interests of highway safety, in accordance with Policy TR5 of the High Peak Saved Local Plan Policies 2008.

5. In the interests of highway safety, in accordance with Policy TR5 of the High Peak Saved Local Plan Policies 2008.

Summary of reasons for granting permission

The decision to grant planning permission has been taken because the Council considers that the application has put forward a proposal that is an acceptable form and design that will not cause harm to the amenity of neighbouring properties. The proposal introduces off street parking within the site which is an improvement from the existing situation.

Notes to Applicant

Pursuant to Section 50 (Schedule 3) of the New Roads and Streetworks Act 1991, before any excavation works are commenced within the limits of the public highway, at least 6 weeks prior notification should be given to the Director of Environmental Services at County Hall, Matlock (tel: 01629 580000 and ask for the Streetworks Coordinator).

Pursuant to Section 163 of the Highways Act 1980, where the site curtilage slopes down towards the public highway measures shall be taken to ensure that surface water run-off from within the site is not permitted to discharge across the footway margin. This usually takes the form of a dish channel or gulley laid across the access immediately behind the back edge of the highway, discharging to a drain or soakaway within the site.

Pursuant to Section 151 of the Highways Act 1980, the applicant must take all necessary steps to ensure that mud or other extraneous material is not carried out of the site and deposited on the public highway. Should such deposits occur, it is the applicant's responsibility to ensure that all reasonable steps (eg; street sweeping) are taken to maintain the roads in the vicinity of the site to a satisfactory level of cleanliness.

Pursuant to Section 184 of the Highways Act 1980 and Section 86(4) of the New Roads and Streetworks Act 1991, at least 12 weeks prior notification should be given to the Area Maintenance Manager (tel: 01629 580000) before any works commence on the vehicular access within highway limits.

The proposed access driveway should be surfaced with a solid, bound material (ie; not loose chippings).

Under the traffic management act 2004, as amended April 2008, the applicant or any other organisation/third party etc working within the highway on their behalf will be subject to the

Please Note: This decision notice does not convey any approval or consent which may be required under any enactment, bye-law, order or regulation other than Section 57 of the Town and Country Planning Act 1990.

Approval under the Building Regulations may also be required. Advice in this respect can be obtained by contacting the Councils Building Control Section on 0845 129 7777.

Any other statutory consent necessary must be obtained from the appropriate authority.

Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority, Derbyshire, County Council at County Hall, Matlock, Derbyshire, tel. 01629 580000.

This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. **A fee is payable to us for the discharge of condition. Please refer to our web site : www.highpeak.gov.uk for details.** If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:

(a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.

(b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

The permission is granted in strict accordance with the approved plans. It should be noted however that:

(a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
