Officer name:

Title: Mrs First name: Liz Surname: Pleasant

Reference: RE: 38 Buxton Road Whaley Bridge

Date (DD/MM/YYYY): 19/03/2013 (Must be pre-application submission)

Details of the pre-application advice received:

The site is NOT within a Conservation Area.
Liz Pleasant has confirmed the principle of development with zero car parking is acceptable and complies with policies but advised on 19 March 2013: "Further to our telephone this morning in respect of your latest proposals I would advise that whilst the latest sketches are an improvement I still do not considered them to be an acceptable form of development for this site. The footprint of the building is too large for the site thereby resulting in a contrived form of development. I do not like the form of the roof with the dormer element and the building still has a very horizontal emphasis with too much stonework between the eaves and first floor windows."
As a result we have reduced the scale of the building. The roof is made simpler and presents a pitch sloping away from Buxton Road - dormers have been removed, the roof is closer to the 1st floor windows. The proportions of the windows provide vertical emphasis. We feel the latest revisions - as submitted within this application satisfy the policies and address the design comments.
