4. Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

5. No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

6. No advertisement shall be sited or displayed so as to -
(a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
(b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or
(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

7. Any light source associated with the advertisement(s) hereby permitted shall be static and shielded to prevent glare and distraction to users of the highway. The maximum illuminance should not exceed 600cdm².

8. All signs and any lights associated with the advertisement(s) hereby permitted shall be fixed in a safe manner such that no part of any advertisement or light is at least 2.6m clear of the adjacent footway surface and no part of any advertisement or light shall be within 0.5m of the carriageway edge.

Reasons

1. Having regard to Regulation 14 (7) of the Town and Country Planning (Control of Advertisements) (England) Regulations 2007.

2. In the interests of visual amenity as required by the provisions of the Town and Country Planning (Control of Advertisements) (England) Regulations 2007.

3. This condition is imposed to comply with the requirements of the Town and Country Planning (Control of Advertisements) (England) Regulations 2007.

Please Note: This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. **A fee is payable to us for the discharge of condition. Please refer to our web site : www.highpeak.gov.uk for details.** If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
(a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
(b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

The permission is granted in strict accordance with the approved plans. It should be noted however that:

(a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
(b) Variation to the approved plans will require the submission of a new planning application
