Glossop. SK13 8AF.
5.9.2013.

Design and access statement: Proposed door and window alterations together with internal alterations at 25 Lord St, Glossop for Mr Mark Dauncey.

The house is a stone built semi detached dwelling and is sited within the Glossop Conservation Area.
The applicant intends internal alterations to re arrange accommodation and the contents of this application are to coincide with these changes.
The changes are located on the rear/side elevation and as such are not visible to any public right of way.
New stonework to close up openings will match the existing, stone lintels will be retained and new doors and windows will match existing.

Access will be unaffected by these proposals.

Mr M Hambleton
