DESIGN AND ACCESS STATEMENT

DESIGN SETTING

The plan relates to the construction of a two-storey rear extension for the improvement and benefit of the householder.

MATERIALS

The existing house is constructed of Peakstone reconstructed coursed stone the roof has a covering of Marley Modern roof tiles. The main walls will be Peakstone reconstructed coursed stone with a roof covering of Marley Modern roof tiles to match that of the existing and surrounding properties.

PRIVACY AND PROTECTION

The existing boundary walls and tree screening around the site will result in little visual impact from the road, neighbours and surrounding areas. The existing property benefits from a large plot so the extension will have little impact to the street scene locality.

ACCESS

There is no alteration to the existing vehicle and pedestrian access to the property, ingress to the property is from the ground floor and accessible by the disabled.
