DESIGN & ACCESS STATEMENT

THE OLD SUN INN @ BUXTON

Sign A

1 No. aluminium double sided pictorial is fixed within a mild steel gibbet on a mild steel post and located within the buildings boundary. This sign advertises at distance the function of the building to both foot and vehicular traffic, also creating a better flow of traffic for persons wishing to use the outlet.

Sign B

1 No. sign written and logo displays hand finished display painted on the buildings natural area, this will not encroach on any architectural features such as lintels and window mullions. This method of signage pays respect to the buildings fabric and heritage.

Sign C

1 No. menu case is located on the buildings natural area, given the position of the sign it does not encroach on any architectural features such as window mullions or key feature such a lintels or fall pipes. Its function is to inform patrons of the menu and changing offers also highlighting the buildings access point.

Sign D

1 No. sign written displays hand finished display painted on the buildings natural area, this will not encroach on any architectural features such as lintels and window mullions. This method of signage pays respect to the buildings fabric and heritage.

Sign E

2 No. lantern has been located to highlight the access to passing foot and vehicular traffic, creating a better foot flow to patrons wishing to use the outlet on an evening.

Sign F

1 No. sign written displays hand finished display painted on the buildings natural area, this will not encroach on any architectural features such as lintels and window mullions. This method of signage pays respect to the buildings fabric and heritage.
