**Re: Proposed construction of a supermarket and a mixed use building at Station Road, Buxton**

I have checked the Definitive Map for the Borough of High Peak and can confirm that there are no recorded public rights of way crossing the site outlined in red on the site location plan. I can also confirm that at today's date, no applications which affect the site have been received under Section 53 of the Wildlife and Countryside Act 1981. However, a proposed Greenway (Woo Dale to Wye Dale) abuts the southern boundary of the site and is shown on the attached plan. This information is provided without prejudice to any claimed rights, which might subsequently be proven to exist under Section 53 of the Wildlife and Countryside Act 1981.

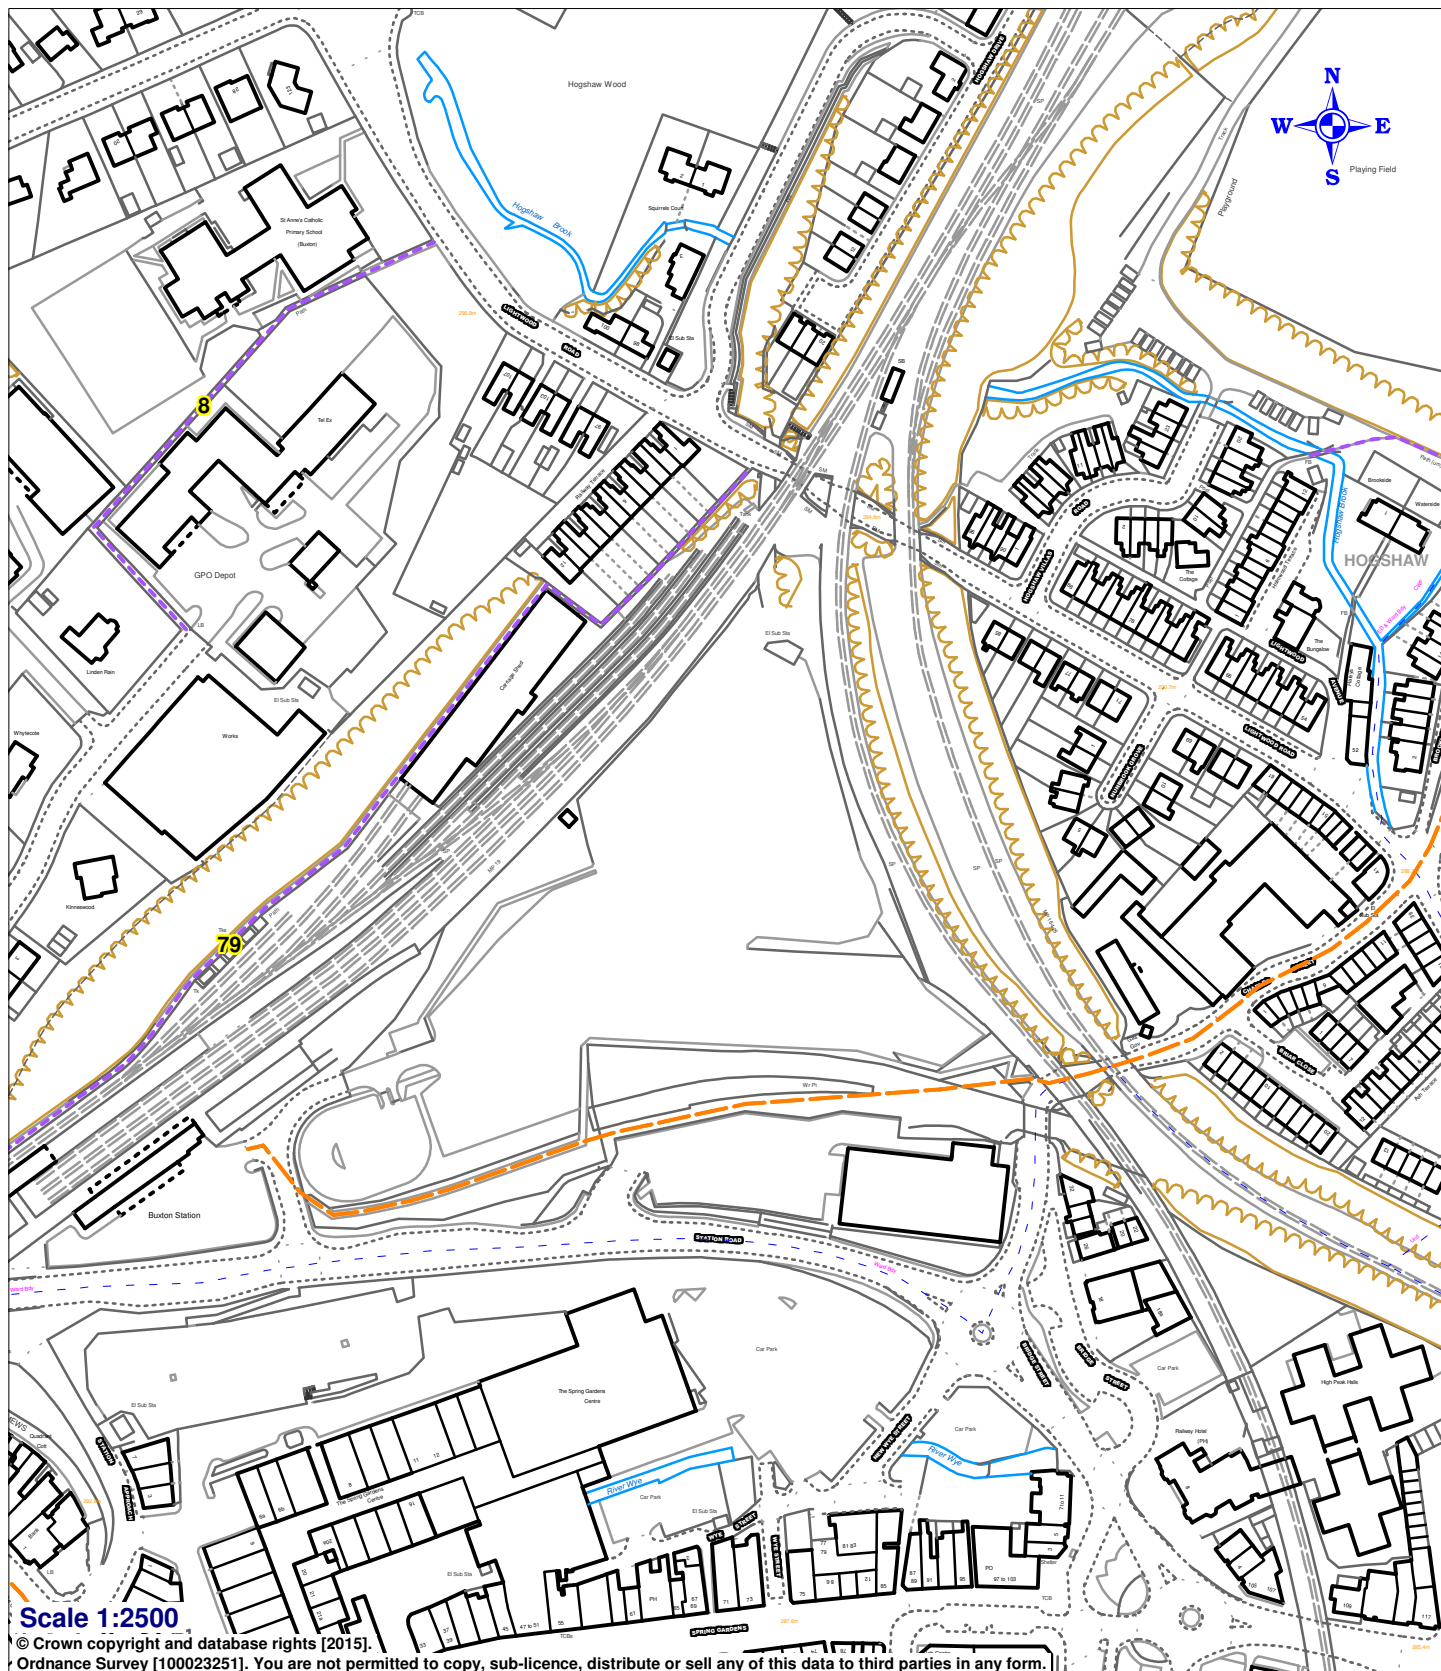

In consequence the Rights of Way Section has no objections or comments on the proposals

Thank you for your consultation.

Yours faithfully

**Andy Galbraith**  
Rights of Way Technical Assistant
