Mrs. Ann. W. LAISTER,
2, St. Ann's Close,
High Peak. SK23 956T.
10 February 2015.

Dear Sirs,

I would like to add my name & support
to those who have already contacted
you with their concerns in relation to the
planning application HPK/2015/0052
(Mrs. C. Wooley, Digleach farm) for a housing
development in the fields on Eccles Road
adjacent to Higher Crosscrag.

My son Mr. J. (Gordon) J. Vaister joins me in
this support.

Development in Chapel is already far over
above the figures recently acknowledged
now to be necessary & this recent request
is liable to open up another outrage to
beautiful & necessary agricultural land.
I am sure, as in my own case, the recent
very bad weather has curtailed many locals
from realising what was taking place.

Yours faithfully,

Ann W. Vaister.
