Re: Proposed Partial Demolition of Existing Building, Renovation of Stone Part of the Building and Additional New Building to Create 11 New Dwellings at Riverside Mill George Street, Glossop

Thank you for your consultation of 1 July 2015 regarding the above.

I have checked the Definitive Map for Glossop Borough and can confirm that there are no recorded public rights of way crossing the site outlined in red on the site location plan. I can also confirm that at today's date, no applications which affect the site have been received under Section 53 of the Wildlife and Countryside Act 1981.

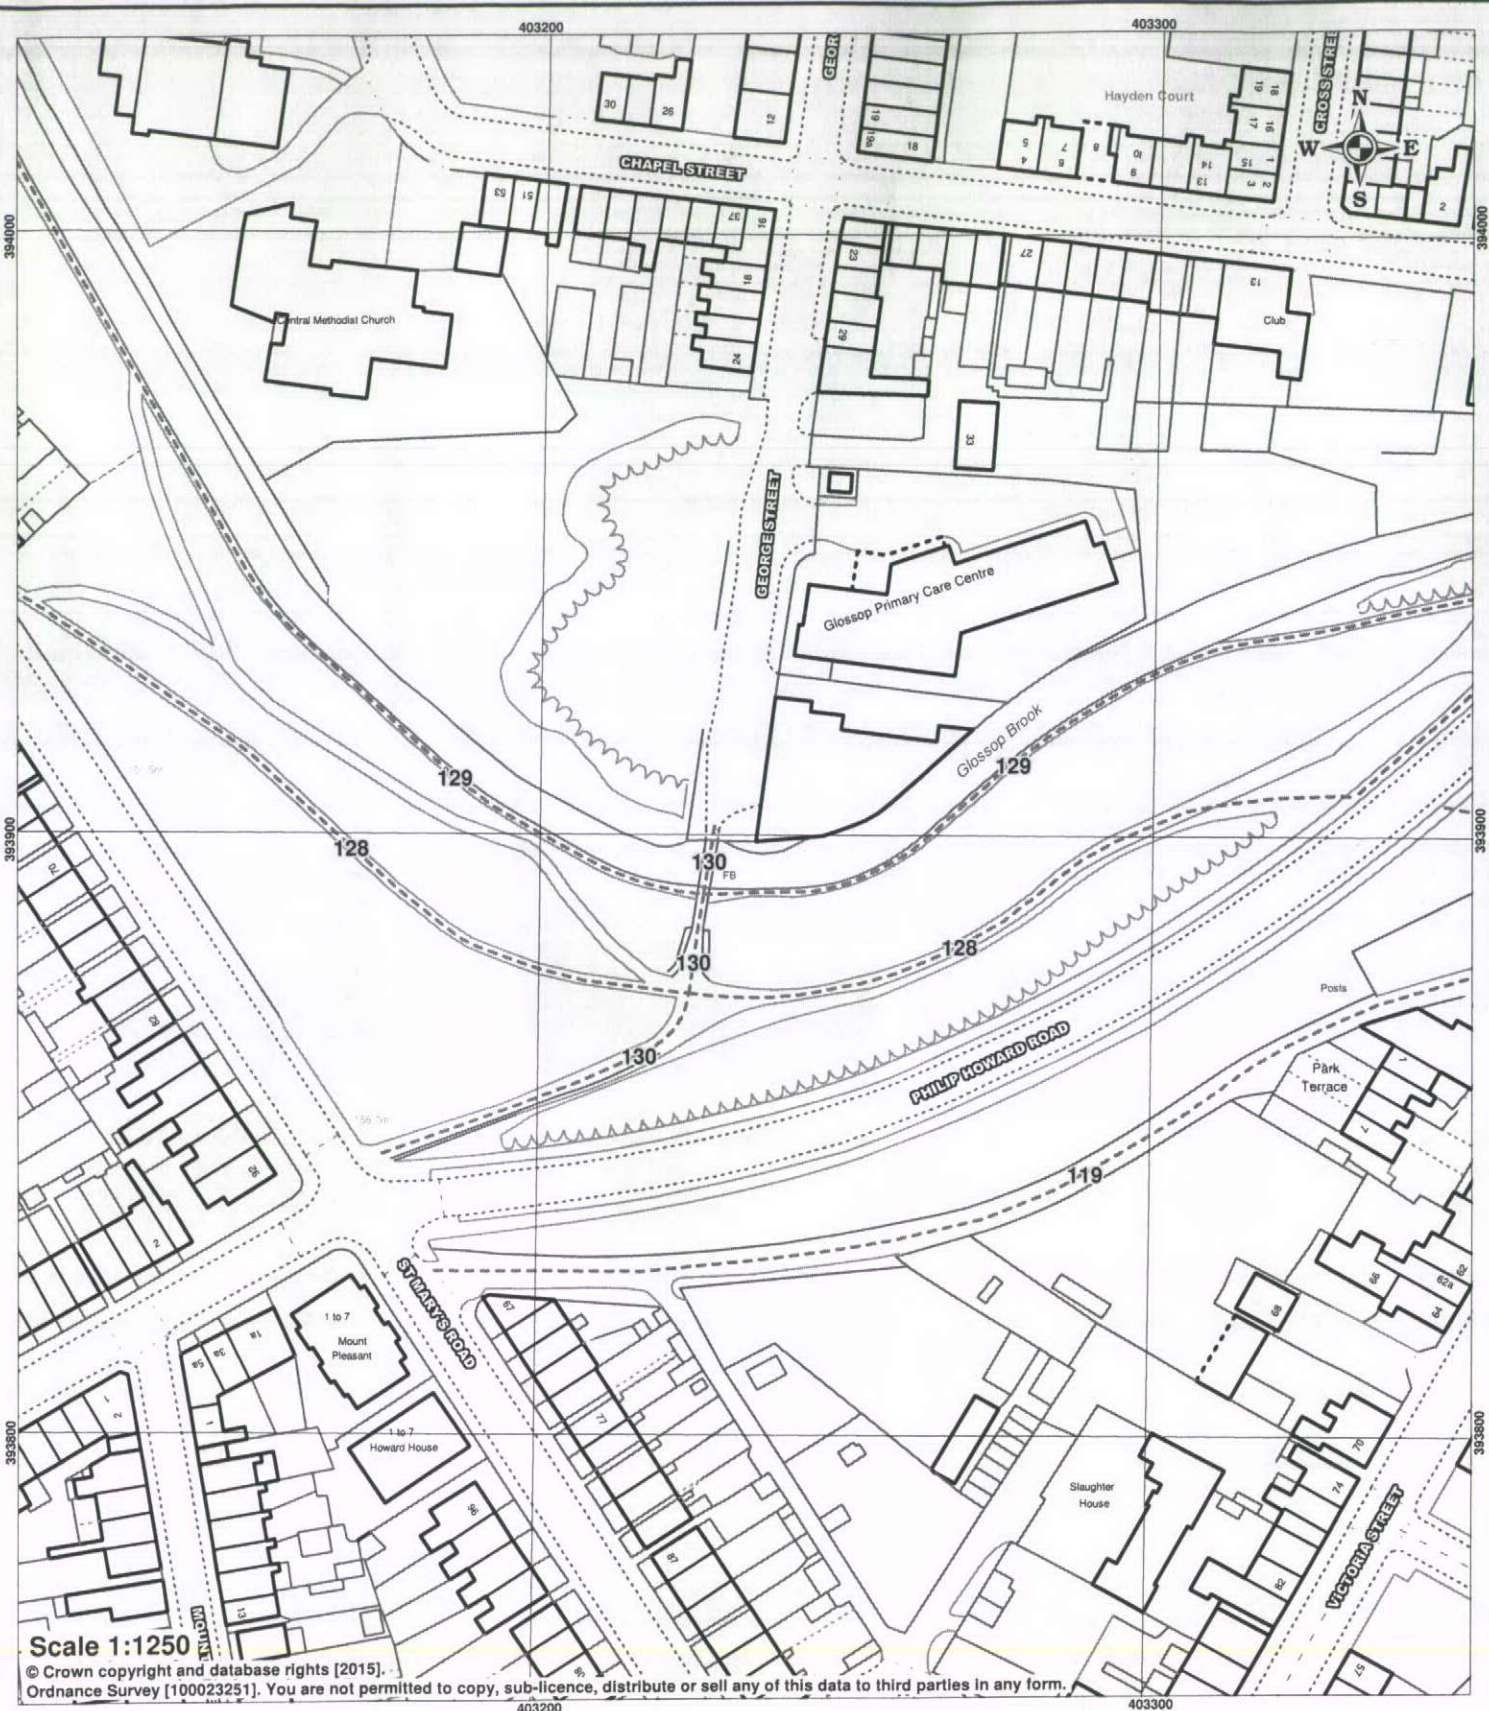

This information is provided without prejudice to any claimed rights, which might subsequently be proven to exist under Section 53 of the Wildlife and Countryside Act 1981.

In consequence the Rights of Way Section has no objections or comments on the proposals

Thank you for your consultation.

Yours faithfully
