Subject: HPK/2015/0594 layout

Hello Moya,

I have spoken to Nicky this afternoon to explain the layout for the planning application above is slightly different to the current layout.

I have no issue or objections with the planning application as I had approval for my plot in 2008.

I have garage Plot 6 on Site A Glossop Road, which was an new plot created in 2008 by HPBC with approval for a garage.
This was completed by Mr David Smith, and I have been a tenant since 2008.

I just wanted to let you know in case it had any impact on the approval process should anyone object or disagree due to incomplete information later on.

Interestingly the site numbering is 1, 2 (base), 5, 3, 4, in a clockwise movement, then my garage plot 6 at the rear of my house.

I have enclosed a copy of the plan from that issue date by Mr D Smith, I am not sure if you need to update your records with my information or if it improves the application process For Mr Ian Corless.

Kind Regards

Mr Graham Hollings
