Hi

Could you please put the attached on file DOC/2016/0013 as a consultation response please (severn trent water)?

I'm not sure if this is the procedure on DOC applications, so let me know if it isn't.

Cheers

John

Dear Mr Williamson,

Thank you for your consultation with regards to the application above.

Having reviewed our sewer records and the enclosures provided, I can confirm that the drainage condition can be discharged.

Foul is proposed to connect into the public sewer, which would require a section 106 sewer connection approval.

Surface water to connect into soakaways and we have no comments to make.

Kind regards,

Mike Shapland
