16th May 2016

Dear Sir/Madam

With regards to the planning application HPK/2016/0186

I object to the revised plans presented on 6/5/2016.

I am very concerned about the light being blocked from my garden, as we have already got a obstructive 20 foot hill and conifer border with our neighbours at Cross Cliffe Barn.

I feel that the original plans submitted on the 11th May were considerate to all neighbours concerned.

Yours Faithfully

Jackie Dixon
