Dear Mr Craig Airey

NMA/2016/0015 - non-material amendment to HPK/2015/0671 - to shift 90% of the pipeline from highway into adjacent field a parallel shift of approx 8m at Nestle Waters Uk Ltd Waterswallows Lane, Green Fairfield Buxton

Further to your request for a non-material amendment to application HPK/2015/0671 I can confirm that the amendment is acceptable as it is not considered that it would be detrimental to the visual amenities of the immediate area and wider countryside landscape or highway safety.

The application is therefore approved and Plan No. 3413-FW1 Revision 2 and has been placed with the original application. Any works that will require consent from the Highway Authority must be obtained prior to work commencing. I must take this opportunity to remind you that all other conditions and informatives on the approved decision are still applicable.

If you require further information then please do not hesitate to contact us.

Yours sincerely

Karen Taylor
Planning Officer
