Submission: Objection

Comments: My wife and I are the owners of Croft Lettings who occupy 24 High Street East. We are also the owner of 24a High Street East

which we let to Mr Peter Howarth.

We object most strongly to this planning application. The applicant proposes to build an extension over the Ginnel which is the only access to 24a and the rear entrance to 24.

In the event of a fire at 26 the occupants of 24 and 24a would be trapped the only escape being to scale a seven foot stone wall and then be faced with a twenty foot shear drop to the rear of Marks & Spencer Simply Food Store. Consent to the application would create a potential death trap.

In addition we totally agree with the content of Mr Howarth's

objection which has already been submitted.
