Submission: Objection

Comments: I'm writing to say that we object to these plans. Having not been notified of any of these plans, which will affect our shared joining boundary(the fence is jointly owned and the applicant has not spoken to us about removing the fence and building a dry stone wall), this will seriously affect our front garden and to have a car that will be parked above our living room window will block any light into our house also with removing the front drystone wall will leave our wall unsupported.
