Subject: RE: HPK/2016/0366 - 39 Temple Road Buxton - replacement windows

Hi Moya,

Following our discussions I would consider that the proposed replacement windows will have a neutral impact on the character and appearance of the Conservation Area. The building is relatively modern with brown-stained joinery and is set back within a mature garden. Other buildings in the vicinity have already had replacement UPVC windows. The replacement windows and doors are to be of a similar appearance to the existing and from public vantage points there will be little discernible difference.

No objections
