Dear Moya

I have had a look at this application There are a few scrubby trees on the site in themselves not trees of high amenity in arboricultural terms but very much in keeping with the landscape character of the area and not without ecological value – I refer to the comments of DWT in this regard.

I do not consider that there are any arboricultural objections to this application

Hi Monica

I am sorry that you have not been consulted on this one. Would you mind commenting as I will be recommending refusal and would welcome your thoughts,

Thanks  
Moya
