Buxton Civic Association comments on HPK/2016/0636

Buxton Civic Association (BCA) commented on earlier borehole applications in this area, notably **HPK/2015/0318**

BCA regretted at the time that Nestle had carried out the work before getting planning permission.

This application is also retrospective. BCA considers that Nestle should stop applying retrospectively and inform residents in advance of their plans, giving them an opportunity to comment. High Peak Borough Council should consider applying conditions to Nestle, such as refusing to accept any further retrospective applications.

As stated earlier BCA suggests that there is a requirement to remove any obsolete borehole huts and make good the surrounding land to a pre-development condition.
