Subject: STOP Gladman

Dear Jane,

I can't help but feel that since Mssrs. Slack and Co. have ownership over Whaley Bridge farmlands and have done for generations past that the property rights of farmers would win out over local volition. However being a Macclesfield Road resident I am registering my support for the planned proposal of development to which the STOP Gladman campaign is pushing for. I understand that planning permission needs to be granted and that the council may well be able to overrule the plans going ahead. Please add my pledge to the numbers subscribing to this cause.

Yours,

Elijah James.
