**Subject:** Objections to application HPK/2014/0119 Linglongs Rd Whaley Bridge

Please record my strong objection to the development HPK/2014/0119 on a greenfield site  
The development will be all too easily seen from Taxal Edge in the Peak District national park and should not go ahead.

The Final Draft Committee Report conclusions (PDF file dated 19/12/2014 – numbered paragraphs 63-71) incorrectly summarise the obvious environmental impact and overstate social benefit.  
High Peak Borough Council is taking a decision that ignores the wishes of the majority of local Whaley Bridge people.

Should it be necessary to build additional housing for planning objectives then firstly all ensure that these targets and Policies are agreed at all levels of local and national government, then build on brownfield sites, not green fields.

This objection is made in addition to those already recorded as objecting within the "Final Draft Committee report".  
i.e. it increases the count of objections received and counted in the report.

Yours faithfully

Matthew Caunt
