Dear Faye,

Re: Planning application 25 Market Place, Chapel en le Frith, SK23 0EN. 2016 0664

Please find enclosed a petition signed by parents and local residents in support of the above planning application.

We/our parents are very surprised that we have not yet received a decision from the council on our application even though we are well outside the eight week service policy. As previously stated, time is of the essence with this application as parents wish to use the service. We would be grateful if you could confirm the status of this application by return, so we may consider our options.

Kind regards

Dr Donna Dallas-Skerry

TKC PETITION

This PETITION is to request parent, residents and owners of local businesses to support The Kid Company (TKC Chapel) in their efforts to obtain planning permission from High Peak Borough Council to extend its opening hours. TKC Chapel wish to honour requests made by some of our parents for additional services, and support working parents through provision of the Governments 30 hour free childcare initiative. Only if you wish to support our planning application should you sign this PETITION. Kind regards, TKC Staff and Partners.
