Submission: Objection

Comments: I live on the road which has the only Primary/Junior school in Burbage, and if the gradual loss of all our green fields on the Western approach to Buxton is not enough can someone explain to me just where all the new children will be getting educated. If you think for one minute it can be at our local school please explain how many more "Yummie Mummies" can we have driving on the verges and blocking all the driveways and road twice a day in term time.

Yours Howard Hodgkinson
