

31 MAY 2017

Mrs. Maureen Newbold
38. PRINCES ROAD,
FAIRFIELD, BUNTON,
SK17 7LB.

Ref. No. HPK/2017/0213

DEAR SIR/MADAM,

I wish to register my objection to the parking of 15 HGV vehicles and 12 trailers on the DEW POND estate. To allow these vehicles to drive along TONGUE LADE at all hours of the day and night is totally unacceptable. Does one man's wishes and requests be more important than a whole community's well being. This is a residential area and already overrun with HGV vehicles delivering to the industrial estate. The pavements along TONGUE LADE are narrow and cars already park on the pavements making it extremely dangerous for the children walking to BOALSTONE LADE SCHOOL. The noise of the HGV vehicles thundering past the houses in the early hours of the morning keeps families awake. I'm sure Mr Thomas would have something to say if they were in his area. Please do not let this happen in Fairfield. Surely he can find more land outside of a residential area for his hobbies.

Yours Sincerely
