Comments: Chorlton Planning Alan and Caroline I'm fed up of ringing you. Several occasions I have spoke to yourselves and nothing has been done. I am not the only neighbour to have spoken and complained about the overgrowth that is on this site. Not only trees grass and bushes but vermin to. As you already know regarding the land being contaminated. The land has been bought and sold on numerous times. Each time I'm speaking to the Agent who "promises to get something done". Five years we have had no sunshine in our gardens and it needs sorting. Roland Gaskill land surveyor/Agent I'm still awaiting a call back from you after numerous calls and also Chorlton Planning passing my details onto you. Who is it I need to speak to to get this matter resolved?

1 Chorlton Planning

2 Roland Gaskill.

3 Clements Court Properties Limited or

4 High Peak Council?
