## working for our community

Application for Planning Permission. Town and Country Planning Act 1990

## Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

1. Applicant Na	ame, Address and Contact Details	
Title: Mr	First Name: T	Surname: Adlington
Company name:	Trusted I.T. Ltd	
Street address:	32 Market Street	
		Telephone number:
		Mobile number:
Town/City:	Whaley Bridge	Fax number:
Country:		Email address:
Postcode:	SK23 7LP	
Are you an agent a	acting on behalf of the applicant?	Yes     No
2. Agent Name	, Address and Contact Details	
Title: Mr	First Name: Andy	Surname: Pyatt
Company name:	Knight Pyatt Ltd	
Street address:	24	
	Landseer Drive	Telephone number: 01625614447
		Mobile number:
Town/City:	MACCLESFIELD	Fax number:
Country:		Email address:
Postcode:	SK10 3RU	andy@knightpyatt.co.uk
3. Description	of the Proposal	
	e proposed development including any change of us of use from wood workshop (B1) to offices	se:
Proposed change	of use from wood workshop (B1) to offices	
Has the building, v	vork or change of use already started?	s No If Yes, please state the date when the building, work, or use started:
Has the building, v	vork or change of use been completed?	s   No

4. Site Addres	is Details			
Full postal addre	ss of the site (including full postcode where	available) Description:		
House:	Suffix:			
House name:	The Corn Mill			
Street address:	New Road			
Town/City:	WHALEY BRIDGE			
Postcode:	SK23 7JG			
	cation or a grid reference ted if postcode is not known):			
Easting:	401206			
Northing:	380480			
5. Pre-applica	tion Advice			
Has assistance o	r prior advice been sought from the local a	uthority about this application?		
6. Pedestrian	and Vehicle Access, Roads and F	Rights of Way		
Is a new or altere	d vehicle access proposed to or from the p	ublic highway?	Yes	<ul><li>No</li></ul>
Is a new or altere	d pedestrian access proposed to or from the	ne public highway?	Yes	<ul><li>No</li></ul>
Are there any ne	w public roads to be provided within the site	9?	Yes	<ul><li>No</li></ul>
Are there any ne	w public rights of way to be provided within	or adjacent to the site?	Yes	<ul><li>No</li></ul>
Do the proposals	require any diversions/extinguishments an	d/or creation of rights of way?	Yes	<ul><li>No</li></ul>
7 Waste Stor	age and Collection			
7. Waste Otor	age and concollen			
Do the plans inco	orporate areas to store and aid the collection	n of waste?	Yes	<ul><li>No</li></ul>
Have arrangeme	nts been made for the separate storage an	d collection of recyclable waste?	○ Yes	<ul><li>No</li></ul>
8. Authority E	mployee/Member			
With roop of to the	on Authority Long			
(a) a m (b) an e (c) relat	ne Authority, I am: ember of staff elected member ed to a member of staff ed to an elected member	Do any of these statements apply to you?	○ Yes	No
9. Materials				
Please state wha	t materials (including type, colour and nam	e) are to be used externally (if applicable):		

9. Materials								
Description of existing materials and fir	nishes:							
Roof slates	finial as							
Description of <i>proposed</i> materials and Roof slates to match existing	iinisnes:							
Noor states to materi existing								
Walls - description: Description of existing materials and fire	nishes:							
Rendered walls								
Description of <i>proposed</i> materials and	finishes:							
Rendered walls								
Are you supplying additional informatio			Yes No					
If Yes, please state references for the p	plan(s)/drawing(s)/design and access s	statement:						
Plans as Existing drawing no. 1364/1 Existing first floor plan drawing no. 1364/ Plans as Proposed drawing no. 1364/ Proposed first floor plan drawing no. 1 Block/ Location Plan drawing no. 1364/ Design and access statement	3C 364/ 4D							
10. Vehicle Parking  Please provide information on the exist	ing and proposed number of on-site p	arking spaces:						
Type of vehicle	ease provide information on the existing and proposed number of on-site parking spaces:  Type of vehicle  Existing number  Total proposed (including spaces  retained)  Difference in spaces							
Cars 8 8 0								
			J					
11. Foul Sewage  Please state how foul sewage is to be	disposed of:							
Mains sewer	Package treatment plant	Unknown						
Septic tank	Cess pit	Other						
Are you proposing to connect to the ex	isting drainage system?	Yes    No    Unknown						
If Yes, please include the details of the	existing system on the application dra	wings and state references for the plan	(s)/drawing(s):					
Plans as Proposed drawing no. 1364/	3C							
12. Assessment of Flood Risk								
Is the site within an area at risk of flood flood zones 2 and 3 and consult Environ requirements for information as necess	nment Agency standing advice and yo							
If Yes, you will need to submit an appro	opriate flood risk assessment to consid	der the risk to the proposed site.						
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?								
Will the proposal increase the flood risk	celsewhere?							
How will surface water be disposed of	?							
Sustainable drainage system	✓ Main sewer	Pond/lake						
Soakaway	Existing watercourse							

To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals. Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site:  a) Protected and priority species  yes, on the development site proposed development site yes, on the development site proposed development site yes, on the development site or the development site or the site yes, on the development site site site yes, on the site yes, on th								
application site, OR on land adjacent to or near the application site:  a) Protected and priority species  Yes, on land adjacent to or near the proposed development  No  b) Designated sites, important habitats or other biodiversity features  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No  OF seatures of geological conservation importance  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No  14. Existing Use  Please describe the current use of the site:  The ground floor garage area is used for storage the rest is currently sealed off  Is the site currently vacant?  Yes, on the development site with the site:  The ground floor garage area is used for storage the rest is currently sealed off  Is the site currently vacant?  Yes No  Does the proposal involve any of the following?  If yes, you will need to submit an appropriate contamination assessment with your application.  Land which is known to be contaminated?  Yes No  A proposed use that would be particularly vulnerable to the presence of contamination?  Yes No  15. Trees and Hedges  Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?  Yes No  And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?  Yes No  And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?  Yes No  And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?  Yes No  And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important								
Yes, on land adjacent to or near the proposed development    No								
b) Designated sites, important habitats or other biodiversity features  Yes, on the development site Yes, on land adjacent to or near the proposed development No  14. Existing Use  Please describe the current use of the site:  The ground floor garage area is used for storage the rest is currently sealed off Is the site currently vacant?  Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application.  Land which is known to be contaminated?  A proposed use that would be particularly vulnerable to the presence of contamination?  Yes No  15. Trees and Hedges  Are there trees or hedges on the proposed development site?  And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the yes No  If Yes to without on both of the show, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current BSS837: Trees in relation to design, demolition and construction - Recommendations:								
Yes, on the development site								
c) Features of geological conservation importance  Yes, on the development site Yes, on land adjacent to or near the proposed development  No  14. Existing Use  Please describe the current use of the site:  The ground floor garage area is used for storage the rest is currently sealed off Is the site currently vacant? Yes No  Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application.  Land which is known to be contaminated? Yes No  A proposed use that would be particularly vulnerable to the presence of contamination? Yes No  15. Trees and Hedges  Are there trees or hedges on the proposed development site? And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority.
