

Details of External lighting – Unit 3 Watford bridge Industrial estate New Mills SK22 4HJ

Ref: HPK/2018/0054

Condition 4- of planning Permission –Exterior Lighting

The unit has a LED 40w exterior light fitted at the top of the building (as per photo) which will illuminate the exercise yard.

The light will only be used when the unit is open and will not operate after 19.00 or before 07.00 as per permission.

The light is positioned in a downward angle as to minimise any illumination to other buildings or housing in the vicinity.
