

## Wardale® Cycle Shelter

### BXMW/WAR

The Wardale® cycle shelter is our best selling and most versatile shelter. With its modular design the Wardale cycle shelter can be linked together to create banks of shelters which allow to you accommodate almost any quantity of cycles.

The Wardale can also be fitted with [Swinging](#) or [Sliding gates](#) with a range of locking mechanisms available to create a fully lockable and secure shelter.

The versatility of the cycle shelter means that the shelter can be retro-fitted with extensions at a later date pushing the parking capacity upwards whilst keeping installation costs low. The shelter can also be transformed into a [secure compound](#).

**\*Polycarbonate End Panels Included in Price\***

#### Capacity:

- 10 Cycles

#### Standard Unit Dimensions:

- Length: 4100mm
- Width: 2140mm
- Height: 2150mm

#### Capacities

- 2000mm - 4 Cycles
